Covid-19 Guidelines

Although much of the Covid-19 guidelines have been relaxed, GASC still has to take steps within our setting to minimise the risk of Covid-19 spreading. Which translates into playing outside as much as possible, encouraging hand washing, keeping the indoor areas well ventilated and spreading out within the area. Snack time is taken with either family members or with classmates. With the more relaxed guidelines, the sand is out, table football, pool, air hockey and the keyboard are all available.

Fund Raising

GASC will be at a couple of events with a stall over the next few months.

At the village Hall on the Saturday 4th June for Jubilee celebrations with a bottle stall 1-4 pm.

GASC also has a stall at the school fete on Friday July 15th

Donations and support would be welcome.

Late Bookings

If you make a late booking, which is after 8.00 Sunday evening, so it will not make the printout deadline, could you please let the school and the child know they are coming to the After School Club.

Lately GASC has experienced some problems with children and school not aware this was happening.

On Monday morning a printout of children attending After School Club at GASC is given to the school. This is to help prevent children going astray.

Questionnaires

GASC is handing out questionnaires for the parents /carers to fill in and return to us by the June 10th 2022

The children have also had their own to fill in at the setting.

It is all part of the Quality of Care Report we have to submit to CIW at the end of the school year.

Please if your child is not coming to GASC or school, can you let both school and GASC know.

GASC staff spent too much time running around trying to find out where a child is.
