

# **Goytre After School Club**

## **GASC'S HYGIENE POLICY**

- The children will be encouraged to wash their hands after using the toilet, and before food is consumed. Running water, soap and towels will be available.
- Staff will be made aware of how infections, including HIV infections, are transmitted.
- Rubber gloves will be available for clearing up after spills of bodily fluids. Floors and other surfaces will be disinfected.
- Clean clothes will be available in case of accidents.
- Staff will be encouraged to obtain the Food Hygiene Certificate. Staff specifically employed for food preparation must have a Food Hygiene Certificate or be working towards one.
